

EMPATHY MAP CANVAS

Project: Sports Hall Booking System

Date: 22 May 2026

User Persona: College Student who wants to book a sports hall for badminton, basketball, volleyball, or indoor games.

SAYS	THINKS
I need a hall quickly.	Will my booking be approved?
DOES	FEELS
Checks available slots and submits booking.	Happy when booking is confirmed instantly.
PAINS	GAINS
Manual booking, long queues, double booking.	Fast booking, real-time availability, notifications.

Conclusion

The empathy map highlights the need for a simple, transparent and automated booking experience. The proposed ServiceNow Sports Hall Booking System addresses these user expectations by providing online booking, approval workflow, notifications and booking history.
